

Non-Resident Membership

Membership Category	2025 Annual Dues Rate (with sales tax)
Non-Resident	\$5,437.80

*Any Member in Good Standing who changes his or her Residence beyond a 200-mile radius from the Club Facilities may apply and, upon approval of the Board, become a Non-Resident Member. Non-Resident Members shall not have the right to vote as Voting Members and shall not be eligible to serve on the Board or hold office. Non-Resident Members have limited golf privileges in an amount set annually (not to exceed a total of twelve (12) rounds of golf per Membership per year), for which they will not be charged greens fees. Non-Resident Members, upon approval by the Board, may participate in Club golf events based on availability with priority to Proprietary Members. Non-Resident Members may not participate on a USTA tennis team. Non-Resident Memberships shall be nontransferable. Non-Resident Members will pay such dues, fees, and assessment as the Board determines. Non-Resident Memberships shall terminate upon the death or resignation of the Non-Resident Member or change of Residence to within 200 miles of the Club Facilities, without payment or distribution of any equity or refund to the Non-Resident Member or his or her estate. If a Non-Resident Member moves his/her Residence to within a 200-mile radius of the Club Facilities less than three (3) years from such transfer to Non-Resident Membership, he/she shall notify the Board within 30 days and such notice shall provide whether the Non-Resident Member is requesting to transfer back to his/her prior Membership category or whether such Non-Resident Member will resign from the Club. If the Non-Resident Member requests and is approved to transfer back to his/her prior Membership category, such Non-Resident Member must within such 30 days' pay all assessments assessed or levied while he/she was a Non-Resident Member prior to transferring back to his/her prior Membership category with a credit for any portion of the same assessment paid as a Non-Resident Member; provided, however, that such transfer back shall be subject to placement at the bottom of any current waiting list. "**Residence**" or "**Resides**" as used herein is the place where, in the reasonable judgment of the Board, a Member physically resides a majority of the golf season (April through October). The Board will determine what transfer fee, if any, shall be charged to Non-Resident Members converting back to their prior category of Membership.*
